FLSA:	Exempt:		Non-Exempt:	X	Union Status:	Union:	X	Non-Union:	
Supervision Received:			Assigned Manager		Supervision Exercise:			None	
Last Revision:	3/15/2019								

General Summary:

This position is responsible for performing a variety of procurement activities including procurement of commodities, materials, supplies, equipment, and services for the Town and affiliated partners that comply with regulatory guidelines, accepted procurement principles, and policies.

Career Ladder:

This position is part of a career ladder with the Senior Buyer and Purchasing Agent positions. This position differs from the higher graded positions in that this position performs moderate to complex procurement work, with some latitude for independent judgement and decision making for the Town and does not require professional certifications, advanced knowledge in all aspects purchasing services and time in service requirements.

Essential Functions:

1. Prepares detailed bid specifications as requested by departments, requests for proposals for commodities and services, requests for quotations for commodities and services and requests for bids for commodities and services.
2. Identifies varied sources of commodities and services.
3. Assists in designing evaluation criteria for bids and makes recommendations for contract awards.
4. Assists in developing standards for new products or services, and maintains contact with current vendors, and maintains a comprehensive description of available products and current prices.
5. Expedites the ordering and delivery process for commodities and services through the use of automated procurement systems and assures invoice payment by monitoring the process from initiation of a purchase order through the receipt of the goods or services and billing from the vendor or supplier.
6. Ensures the prompt and effective delivery of essential goods and services with minimum lag time through the implementation of standardized purchasing practices,

and policies.

7. Consults with staff about their needs and desired purchases and assists in locating and identifying items and services being sought, and contacts vendors and develops sources of supply and/or services.
8. Ensures all goods and services purchases meet specific conditions and acceptable standards by preparing detailed bid specifications for technical items, contract requirements for the establishment of commodity and service contracts.
9. Investigates substitutions made by vendors and suppliers, serving as a liaison between departments and vendors, and resolves differences regarding the purchase of goods and services, and determines the acceptability of goods and services in coordination with the ordering department.
10. Expands the range and improves the quality of procurement services to the departments improving customer satisfaction by providing input regarding the design and/or selection of automation systems and being proactive in seeking the use of information technologies to expedite processes.
11. Assists in the development of a competent, productive and effective staff by training end users on procurement practices, policies and systems utilized in the purchasing process.
12. Minimizes institutional liability by reviewing and recommending approval or disapproval of contracts in terms of adequacy of contract terminology, content, and obligation of physical resources.
13. Ensures the proper and timely payment of charges for goods and services received by the Town by monitoring the invoice payment process.

Other Functions:

1. Attends conferences, seminars, and committee meetings as required.
2. Utilizes computer applications such as word processing, database and internet technologies.
3. Remains competent and current through self-directed professional reading, developing professional contacts with colleagues, attending professional development courses, and attending training and/or courses as directed.
4. Travels to various Town and affiliated partners sites to work with staff as necessary.
5. Other related duties as assigned.

Education & Experience:

Education:

A Bachelor's Degree with major course work in human resources, business administration, public administration, finance, accounting or related field.

Experience:

One year of experience in procurement. Experience must include experience in the preparation of solicitations for the purchase of commodities and services and in using automated procurement procedures.

Any equivalent combination of education, experience, or training that has prepared the incumbent to perform the essential duties of the position.

Knowledge, Skills & Abilities :

This position requires the following knowledge:
