

Job Description

Job Title:	Planner I								
FLSA:	Exempt:		Non-Exempt:	X	Union Status:	Union:	X	Non-Union:	
Supervision Received:	Assistant Town Planner				Supervision Exercise:	None			
Last Revision:	04/1/2019								

General Summary:

This position is responsible for performing entry-level to intermediate, professional and technical work in the administration of planning activities.

Career Ladder:

This position is part of a career ladder within the Planning Series. This position differs from the higher graded positions in that this position performs entry level to intermediate professional and technical work in the areas of planning, with some latitude for independent judgement and decision making for the Town and requires professional certifications, advanced knowledge in some aspects of Planning and has time in service requirements.

Essential Functions:

1. Assists residents, contractors and other interested parties in regards to departmental programs and services.
2. Assists with development and review processes and procedures including zoning permits, inland wetland licenses and planning and zoning commission applications.
3. Assists with the housing rehabilitation program and other community development initiatives.
4. Assists with economic development, conservation, and land management programs and initiatives.
5. Assists in the administration of day-to-day operations of the CDBG Small Cities program.
6. Prepares grant documents and coordinates with other departments on documentation and review of grant applications and community development projects.
7. Assists with the strategic planning for CDBG projects which includes administering the CDBG procurement process, bid development, monitoring budgets and screening applicants for various rehabilitation projects or community development

projects.

8. Monitors consultant and contractors' work related to housing rehabilitation or community development projects and responds to applicants, vendors, and contractor inquiries.
9. Assists in the coordination of activities related to conservation and land management such as preparation and rental of community gardens, maintaining friends of Mansfield parks memberships, working on educational programming, overseeing and coordinating volunteer activities, and open space acquisitions and leases and park maintenance.
10. Develops and implements management plans.
11. Reviews and processes land use permit applications and maintaining information databases.
12. Prepares reports associated with applications requiring planning and zoning commission and/or inland wetlands agent approval.
13. Enforces zoning regulations, inland wetlands and watercourses regulations and other regulations/ordinances as assigned.
14. Conducts site inspections and investigates of potential violations and issues violations and citations.
15. Establishes and supervises filing and record management systems for development review and enforcement activities, including implementation and maintenance of permitting/enforcement software systems.
16. Collects data and conducts research on a variety of planning initiatives and prepares related reports.
17. Assists in preparing responses to FOIA requests for the departments.

Other Functions:

1. Attends conferences, seminars, and committee meetings as required.
2. Remains competent and current through self-directed professional reading, developing professional contacts with colleagues, attending professional development courses, and attending training and/or courses as directed.
3. Provides staff assistance to elected and appointed boards as assigned.
4. Other related duties as assigned.

Education & Experience:

Education:

A Bachelor's Degree with major course work in planning and development, public administration, urban planning, architecture or related field.

Experience:

One year of experience working in a planning capacity or related field.

Any equivalent combination of education, experience, or training that has prepared the incumbent to perform the essential duties of the position.

Knowledge, Skills & Abilities :

This position requires the following knowledge:

- General knowledge of planning practices including regulations, ordinances, and laws.
- General knowledge of office administration practices and procedures.
- General knowledge of and ability to learn and use computer software systems.
- General knowledge of and ability to perform filing practices and procedures.
- General knowledge of the MS Office Suite.

This position requires the following skills:

- General administrative skills in the areas of reading and applying policy to a variety of situations.
- Well-developed analytical skills.
- Basic geographic information systems skills as demonstrated by completion of an introduction to GIS course or equivalent.

This position requires the ability to:

- Prepare and analyze reports and carry out assigned projects to their completion.
- Maintain effective working relationships with all contacts.
- Understand and communicate written and verbal instruction.
- Effectively interact and communicate with the general public and fellow employees and a variety of other stakeholders.
- Understanding of town ordinances, state laws and regulations governing planning issues.
- Manager various computer applications including Excel and Word.
- Learn and use specialized software including management of permitting and enforcement activities and paperless meeting solutions and document management.

Licenses & Certifications:

Completion of Connecticut Department of Energy & Environmental Protection Municipal Inland Wetlands Agency comprehensive training program is required within 6 months of hire.

Certified Zoning Enforcement Technician from the Connecticut Association of Zoning Enforcement Officials is required within 6 months of hire.

One professional certification will be required upon hire.

Possess a valid driver's license.

Special Requirements:

This position requires the following:

- Work hours beyond the regularly scheduled work-week in order to attend various commission, board and council meetings will be required.
- A thorough background check.
