

March 2025

Dear Members of the Mansfield Public Schools Community:

As most of you are aware, the Mansfield Board of Education is involved in the process of selecting a new superintendent of schools to replace Peter Dart who will be retiring in June. We are grateful to Peter for all that he has done here in the school district for the past three years as our superintendent and we will miss him.

The Board has selected CES Executive Searches to assist us in the search process to find the best candidate to be Mansfield's next superintendent of schools. To that end, please click on a link below to access a community survey to gather your thoughts, ideas and input on what qualities and expertise that you feel are important for the next superintendent to possess. Your input is critical and valuable and will assist us in our search process.

The survey will close on Friday, March 28 and we hope that you will take the time to offer your input. Many thanks.

Sincerely,

Kathy Ward, Chair, Personnel Search Committee
Mansfield Board of Education
