# Seasonal Assistance Program

The Mansfield Human Services department recognizes all holidays that are celebrated throughout the year through our seasonal assistance application. We recognize how stressful this time can be for families in need and we want you to know we are here to help make things easier.

The seasonal assistance program has been revitalized with the understanding that many of our families celebrate various traditions over the coming months. This year we will be matching each family with a sponsor to provide gifts and other supports for the holidays. If a family is not matched with a sponsor, gift cards and/or gifts will be provided.

Please completely fill out an application by **Friday, November 14<sup>th</sup>, 2025**.

Applications can be found in the Mansfield Human Services Department website.  
Or please scan the QR for our online application.

Please feel free to reach out with any questions or needs that your family may have by calling us at 860-429-3315 or email us at [human.services@mansfieldct.org](mailto:human.services@mansfieldct.org).
