

Mansfield Elementary School Take Home Notices Week Ending December 05, 2025

Dear Families,

As we step into December, the winter season is upon us, bringing fresh opportunities for our students to learn and grow. Whether tackling new challenges in the classroom or demonstrating leadership in their daily interactions, it's wonderful to witness their progress as we move through this season. With colder weather arriving, please remember to send your child to school with warmer gear, including jackets, hats, gloves, and scarves. Keeping them comfortable will ensure they can fully enjoy outdoor activities.

Warm regards,
Kate and Becky

Recycling Challenge

What:

The eco-action team wants to collect plastic bags. We can recycle bags from school or bring them from home. There are white bins to put the bags in near the front door and near the caf.

Why:

We want to do this to prevent waste. We can already recycle hard plastic but we usually have to throw away soft plastic. We also can earn a school bench if we collect enough bags.

When:

We are starting now!

What can be recycled?

All plastic must be clean, dry and free of food residue.

Dry cleaning bags
