Private lessons and semi-private lessons (participation max: 2 individuals) are available for both children and adults. All lessons are instructed by one of our qualified swim lesson instructors. Lessons are 30 minutes in length. Private lesson registration is done through the online portal once registration opens. After registering for your desired section & submission of this form via email or to the front desk, you will be contacted the week prior to lessons informing you of your designated 30-minute timeslot, and instructor information. We will do our best to meet your preferred time requested. **Balances are due in full at the time of registering.** Private swim registration is limited to **one** registration per individual.
