

After School Activities

Q3 - Jan 26th- March 19th

Information:

- **Please note that many activities fill very quickly.** We make every effort to accommodate student selections however, to ensure that as many students as possible get the opportunity to participate in at least one club this may result in your student not getting into their first choice, which is why we encourage students to make two selections.
- Students will be enrolled into **ONE** of their two choices. Students may also attend Student Council and/or Kitchen Table and/or My Pride in addition to their one club choice.
- **Activities will begin during the week of January 26th and end the week of March 19th** unless noted otherwise. Other schedule changes, when necessary, are announced during the school day. We hope that your child will pursue personal interests and explore some new areas through the offerings of the After-School program.
- **Late buses will be available on Mondays, Tuesdays, Wednesdays (when there is no staff meeting) and Thursdays. Please note, while late buses are available, in some instances the service is not door to door. Please visit the [MMS Website](#) to review your child's late bus run.**
- **If you have a question regarding your child's drop off point, please call MMS.**
- **Important Note to Parents/Guardians:**
 - The MMS Health Room closes daily at 3:00. (The school office remains open until 4:30 p.m.) There is **no nursing coverage** for after school clubs, sports or activities. If your child has a known medical need (such as; asthma, severe allergy, seizures, diabetes...) and may need medication or medical supervision after school, a parent/guardian must contact the school nurse in order to make the necessary plans or arrangements. The appropriate care and guidelines will be delegated to the supervising teacher or coach. MMS does not provide nursing coverage beyond the school day. These arrangements will need to be updated for each activity your child participates in each quarter. Call the health office with questions 860-429-9341.
