

How to Use Mansfield Middle School's Parent Portal

First, follow the separate directions handout provided by the Middle School for “How to Create an Account in the Mansfield Middle School Parent Portal” to create your account. If you do already have a paper copy of that handout, it is also available by going to the Middle School homepage (<http://mansfieldct.gov/mms> - click on the link for “Parent Portal” under the “For Parents” menu). You must create an account before you can use the Portal.

Go to <https://powerschool.mansfieldct.org> to login using the username and password that you previously created.
