Potential COVID-19 Impact on Fall Programs

We are committed to maintaining healthy, fun and engaging parks and recreation options for everyone during the unusual and challenging impacts of the COVID-19 pandemic. At the time of the early July content deadline for the fall brochure, we planned a combination of traditional in person and virtual programs, activities and events. As the Reopen Connecticut Task Force releases information regarding potential implications on our fall parks and recreation services, we will adapt to meet recommendations by state and local officials as well as the interests of our patrons. As a result, ongoing assessment, planning and potential adjustment will continue after the printing of the fall brochure in order to offer a continuum of activity options during the fall season. Please frequently visit mansfieldcc.com, our Facebook page and monitor emails for updates regarding fall programs throughout the fall registration and program season.
