

## Mansfield Teen Center

The Teen Center is a safe fun environment for teens to hang out with their friends. Teens have the opportunity to give us their input on the types of activities and specials they would like to see. FREE Teen Center memberships for all kids' grades 5-12 (Mansfield and surrounding communities). Stop by the Mansfield Community Center and fill out a registration form.

Fifth and Sixth graders under the age of 12 may use the Teen Center without a guardian. They must remain in the Teen Center with the exception of trips to the bathroom and vending machines. 5th and 6th graders must be signed out by a parent or guardian.

**Bonus Time for Families...** During Family Fun Nights the Teen Center is open for families to use. This means, during Friday Family Fun Nights the Teen Center will close at 4:30 p.m.

### MTC Hours:

**(Middle School Days)** Monday, Tuesday, Wednesday, 3-6 p.m.

**(High School Days)** Thursday & Friday, 2:30-6 p.m.

- Located in the Community Center (MTC is the last room on the left on the first floor), within walking distance EOS and with busing available from MMS.
- 2 pool tables, foosball, air hockey, board games, 2 computers & Xbox One

For more information about the Teen Center contact Steven Capobianco, [CapobiancoS@mansfieldct.org](mailto:CapobiancoS@mansfieldct.org)

## Recreation Rescue

No school? No problem! We have the answer for your kids on Mansfield teacher professional days for kids entering grades K-8. The day includes a combination of onsite actives and a trip to a local educational or recreational area. Trips and additional details released about one month before each Recreation Rescue day. Drop off as early as 7:30 a.m. and pickup as late as 5:30 p.m. Trips typically depart between 9-10 a.m.

**Location:** Mansfield Middle School  
**Date:** 254010-1 Tues., Oct. 11, 7:30 a.m.-5:30 p.m. Trip TBD  
**Fee:** \$54/day for residents, \$64/day for non-residents

## Youth Science & more

### NEW! I Dig Dinosaurs (Grades K-2) 😊

Triceratops, tyrannosaurus and trilobite...all names of animals from long ago that no longer live on Earth. How do we know and what do we know about these curious animals? Using real fossils, models, and activities, we will try to find out about prehistoric animals and how they lived. Maybe we'll talk about your favorite dinosaur!

**Instructor:** Sue Harrington  
**Location:** CC Arts & Crafts Room  
**Date:** Thurs., Sept. 22-Oct. 13 (4 classes)  
**Time:** 4:45-5:45 p.m.  
**Fee:** \$30 for residents, \$40 for non-residents  
**Activity #:** 220033-A

### NEW! Do You Want to be a Scientist? 😊 (Grades 2-5)

What is an experiment and how do scientists learn about the world? We will try to answer these questions as we "mess around" with some basic science questions. We will do some simple chemistry, physics, and biology as we learn how science works.

**Instructor:** Sue Harrington  
**Location:** CC Arts & Crafts Room  
**Date:** Thurs., Oct. 27-Nov. 17 (4 classes)  
**Time:** 4:45-5:45 p.m.  
**Fee:** \$30 for residents, \$40 for non-residents  
**Activity #:** 220035-A

### NEW! Food Explorers: Fall Baking Edition 😊

Join Food Explorers for four brand new baking recipes that are perfect for fall! Each week you'll make and bake something delicious: Pumpkin Twists, Carrot Cake Energy Bites, Pumpkin Cannoli Cones and Snickerdoodle Whoopie Pies. Recipes are nut free and will contain dairy and/or eggs.

**Instructor:** Food Explorers Registered Dietician Staff  
**Location:** CC Community Room  
**Date:** Wed., Nov 2-30 (4 classes) \*no class 11/23  
**Time:** 4:45-6 p.m.  
**Fee:** \$87 for residents, \$97 for non-residents  
**Activity #:** 220038-A
